

OSURA SOCIAL COMMITTEE REPORT

FEBRUARY 21, 2019

The Social Committee met immediately after the Lunch Bunch program on February 21, 2019. In March the program is entitled "Birds" with Tom and Rosemary Domen presenting a slide show. The hostess will be Phyllis Carroll. Phyllis reported that everything is in order for that program. Rai Goerler reported that Gene Gilliam will be taking us on a travelogue to China in April and Steven D'Ambrosio reported that in May the program will be "Fraud Watch" with speakers from AARP.

Phyllis Carroll moved that in lieu of the June Picnic Potluck we have a Member Appreciation catered luncheon. It was seconded and passed unanimously. The entire committee was very enthusiastic and had many ideas of how to make it a lovely occasion. One idea was to have it become the Annual Meeting.

There will not be a Lunch Bunch program in July nor in September.
