Book Club

A *You Are There* play in March will feature the book *The Collector's Apprentice* by B.A. Shapiro. This is a clever, complex tale of art fraud, theft, scandal, revenge—art glamour and mystery in 1920s Paris. After enabling her fiancé to steal her family's fortune and her father's art collection, Paulien Mertens flees to France, changes her identity, and takes a new position to help create a collection for an art collector (modeled on Albert Barnes), and sets out to recover her family's collection and exact revenge. A fun evocation of the 1920s art scene (Picasso, Gertrude Stein, et al.).
Arranger: Lee Hill (hill.30@osu.edu – Book Club SIG)
